Standings and tie-breaker rules (after Saturday):  1) Best Record 2) Point differential in Saturday bracket: Difference between winner and loser scores. Plus (+) if you are a winner, Minus (-) if you are a loser. There will be a maximum value of +/- 15 of the final score, therefore, no advantage for a team to run up the score on another team on Saturday (more than 15). 3) If teams have same point differential; Head to head games between tied teams will determine seed. If this is 3 way tie then: 4) Point differential in the head to head games between the tied teams in head to head games. +/- 15 point differential rule still applies. 5) Coin Flip *  * If you are in top 3, you will still get chance a to play for title.  Sunday - Teams that come in 2nd and 3rd will playoff for Championship so one team will play 2 games on Sunday and get total of 4 games.
